

2009 NFHS Baseball Proposed Rules

Rules Reference	
1-2-2	<p>Change: All non-permanent lines on the playing field shall be marked white with a material not injurious to the eyes or skin. Lime or caustic material of any kind is prohibited.</p> <p>Rationale: Clarification for proper lining instructions for grass and turf fields.</p>
6-2-3	<p>Change: Intentionally pitch close to a batter.</p> <p>Rationale: To reinforce the responsibility of the pitcher while he has engaged the pitcher's plate.</p>
7-3-4 Penalty	<p>Change: Penalty: The batter remains at bat (pitch is a ball or strike) unless the pitch was a third strike <u>or</u> ball four.</p> <p>Rationale: Instead of penalizing with a multi-base award. Just remove the glove and replace or rectify the situation.</p>
10-1-9 and Umpires' Manual	<p>Delete: ... word "heather" gray</p> <p>Rationale: Heather gray slacks are slowly becoming difficult to acquire. Equipment dealers are transitioning into charcoal gray slacks. This rule change will provide umpires the opportunity to purchase any shade of dark gray and be in compliance.</p>
