

COACHES REQUEST FOR ONE-TIME EXTENSION OF CERTIFICATION REQUIREMENT

The ASAA Coaches' Education Program requires that all high school coaches, not currently certified under the Alaska Coaches' Education Program, must successfully complete the NFHS Coaching Fundamentals, American Red Cross Sport First Aid courses and ASAA component. These coaches, who actually supervise students, may include head coaches and assistant coaches at all levels, as well as volunteer coaches and coaches of outsourced school programs. New coaches in the state of Alaska are required to show proof of taking and passing the NFHS courses or an equivalent certification program. All coaches will be required to take the ASAA component. The ASAA Executive Director may grant extensions of this requirement upon receiving an individual member schools' request. No coach may be granted more than one extension. Please use this form to request an extension.
