

BONA FIDE CHANGE OF RESIDENCE

Article 12, Section 9-2, Transfer As a Result of a Move of Parents states:

A student who transfers from one school's attendance area to another's with a bona fide change of residence of the parents, legal guardians (or other persons with whom the student has resided for a period of time to be determined by the Association) shall be eligible for interscholastic competition at the new school as soon as properly certified.

Definition of a Bona Fide Change in Residence — For the purposes of this section, a bona fide change of residence means, "the moving of the permanent residence of the entire family of the student and his/her parents or guardians (or other person with whom the student has resided for a period of time approved by the Association) from one school's attendance area into another school's attendance area prior to a change in enrollment of the student." Schools must verify that a bona fide change of residence has occurred and must report this to the Association on the Bona Fide Change of Residence form, before the student is allowed to participate.
