

HISTORY OF BASEBALL IN ALASKA

For many years, baseball was played as a preparation for American Legion Baseball. Teams in Anchorage and Fairbanks were basically feeder programs for the summer long club programs. As interest developed in more schools, ASAA created the first state tournament in 2000. At that time, there were about twelve schools in four regions in the state. Since then, the sport has been adopted by more schools--- in many cases as an “outsourced” program as schools were unable to fund additional sports.

The first six state tournaments involved only the top team from four different conferences to play two semi-finals, a third place game and a championship. Starting with 2007, the tournament expanded into a regulation eight-team championship that included two teams from each of the four conferences. Presently, there are 26 schools with baseball programs throughout Alaska.

BASEBALL STATE TOURNAMENT RECORDS

2000
