

## Culture Trivia Information:

1. Each school may enter ten participants in French, German and Spanish, levels 1 through 4 or Spanish Native Speaker. All students must meet eligibility requirements before being registered.
2. Each student will complete a multiple choice scan tron format test of 50 questions. Many of the questions are taken from the “Teacher’s Discovery” trivia card sets. However, some questions will be taken from other sources, in order to make the tests more challenging. Only the “Teacher’s Discovery” source is revealed as a source of questions to study in advance. Other sources will not be made known, as it is assumed that culture is taught in the language classes, and that students would learn culture other ways besides the “Teacher’s Discovery” sets.
3. The tests for levels 1 and 2 will be in English, while those for levels 3, 4 and Spanish Native Speaker will be in the target language.
4. Participants are requested to bring their own number 2 pencils, but if forgotten pencils will be available at the contest.
5. Seating at the tables in the testing area will be mixed languages. Students may not sit next to those of the same language.
6. Students may not have photocopied question/answer sheet packets with them in the testing area. Those caught using such packets during the test will be disqualified.
7. 25 is the minimum number of points required to place. The top ten scores 25 or higher in each language and level will be awarded and qualify to compete at the state level.
